Our Earth

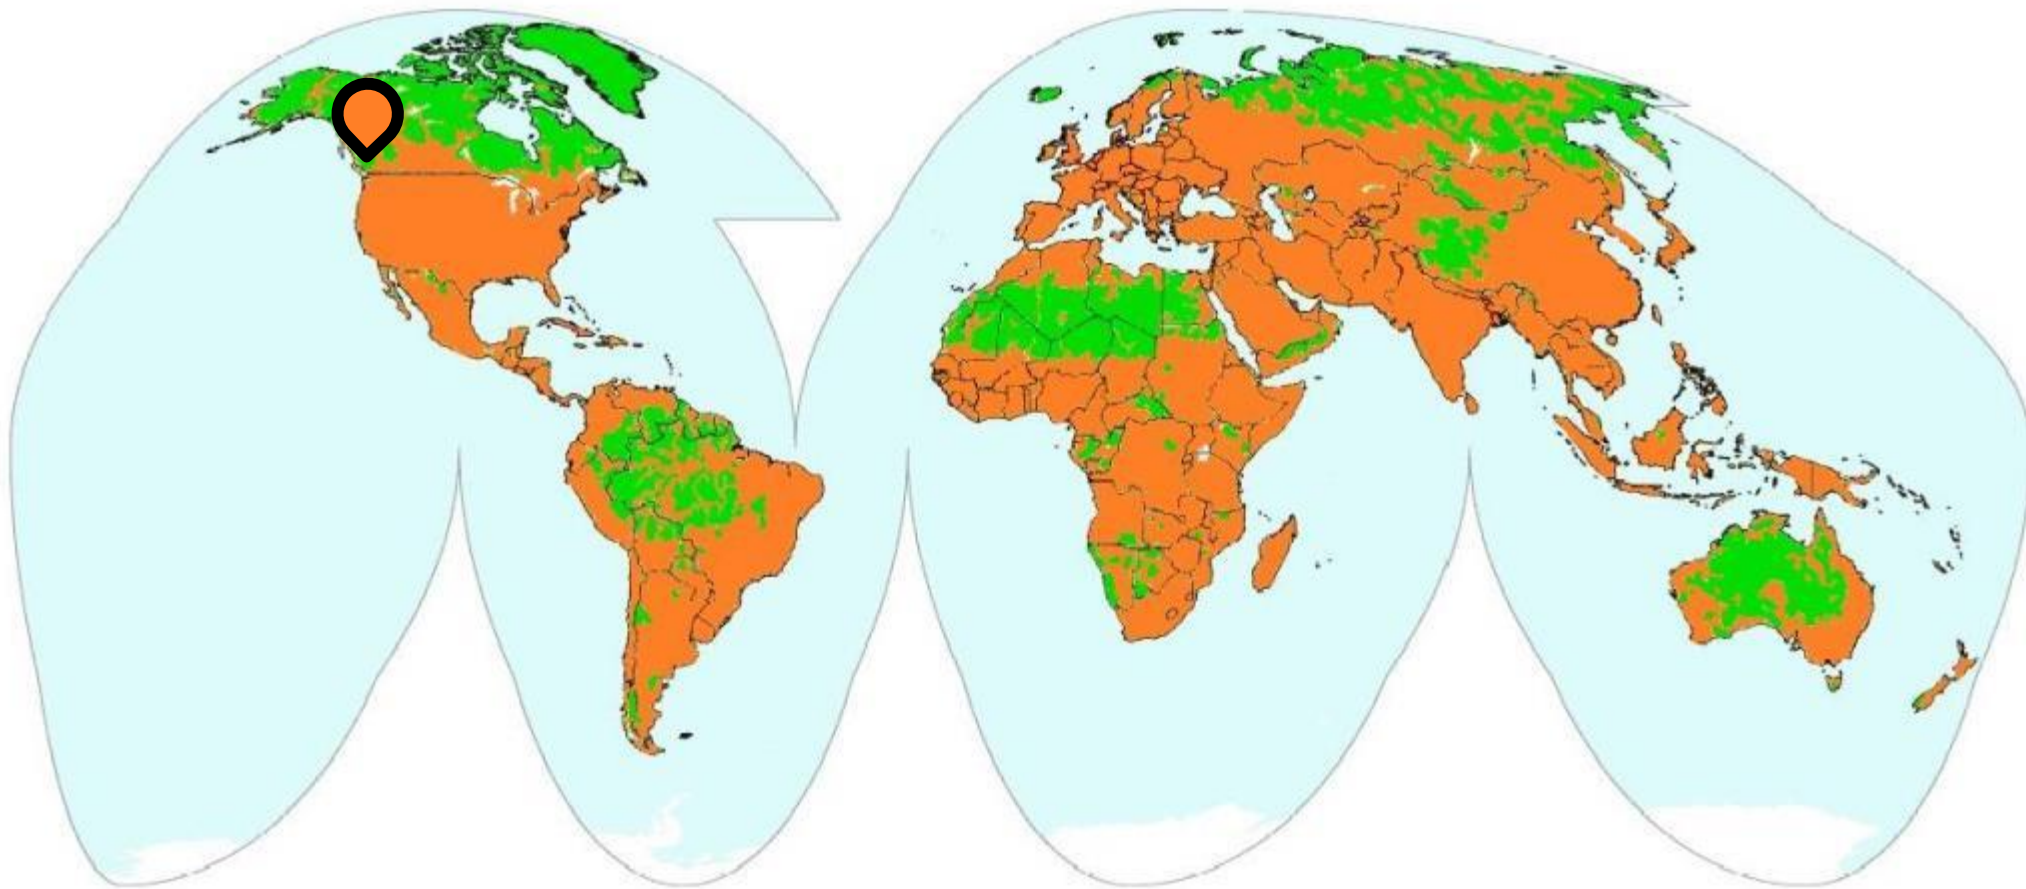

17%

Human influence on land surface

- Changed by humans
- Not changed by humans

Human influence on land surface

Vancouver - Canada

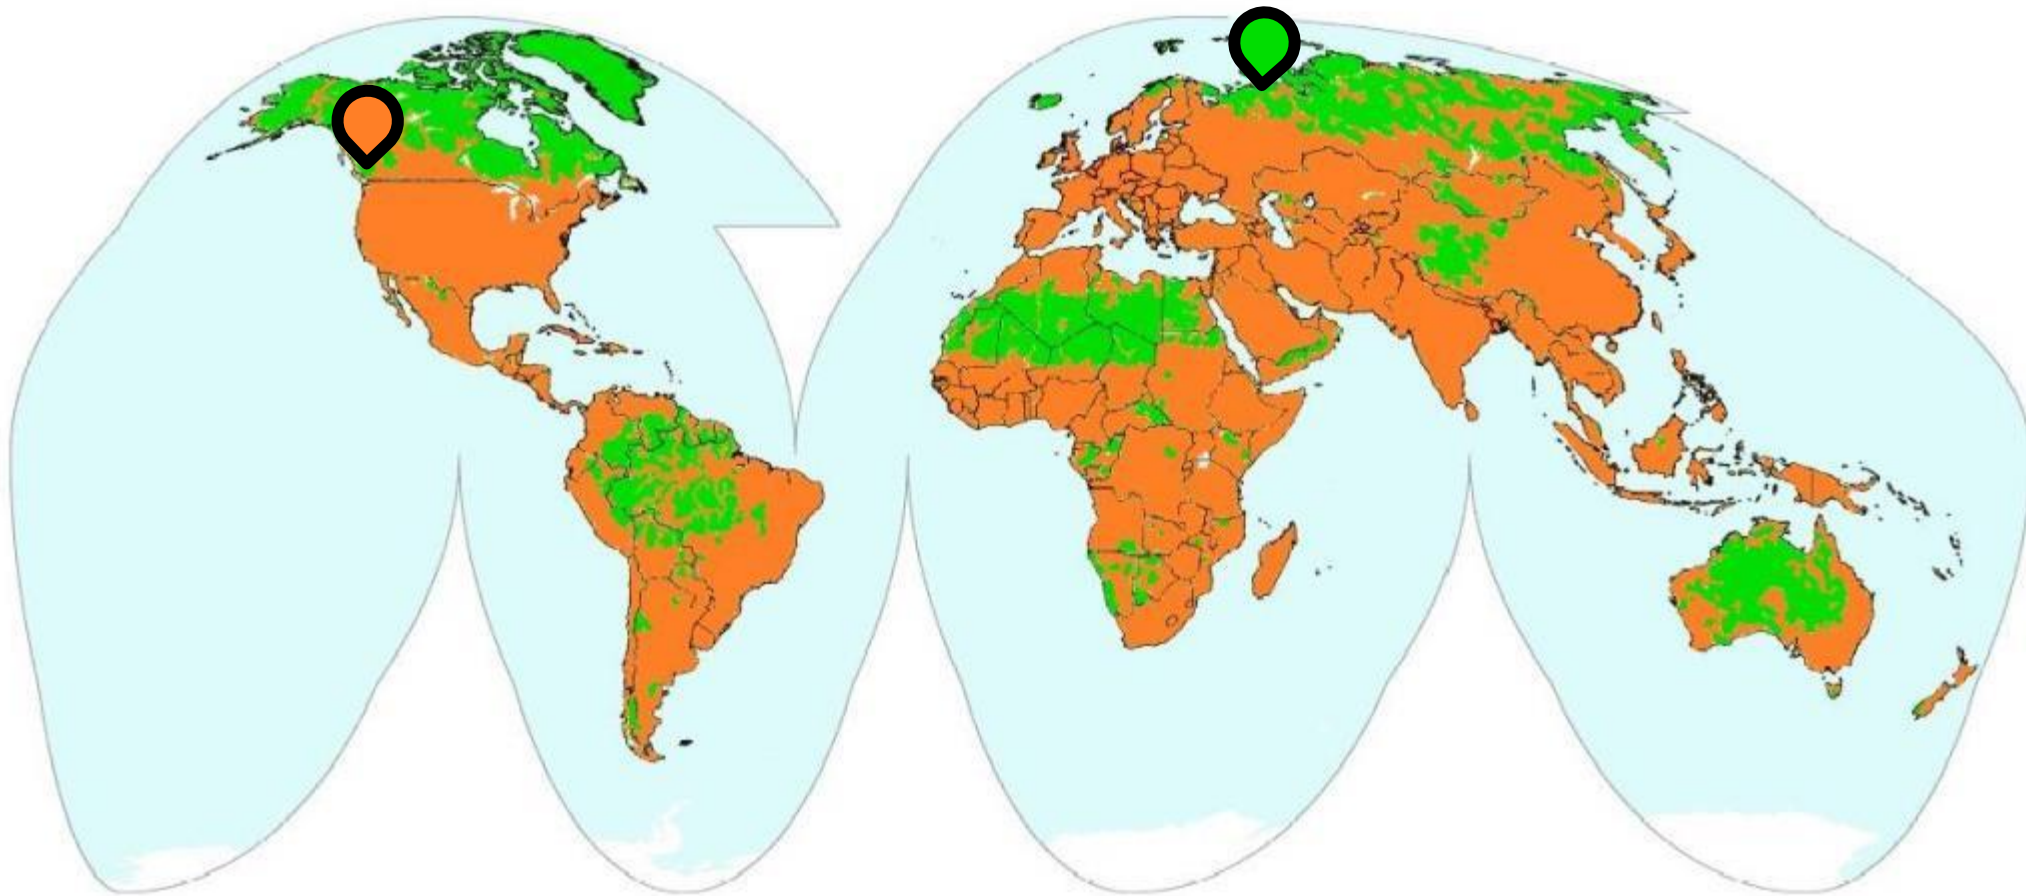

-  Changed by humans
-  Not changed by humans

- One of greenest citys
- Try using less ressources

Very green!

Human influence on land surface

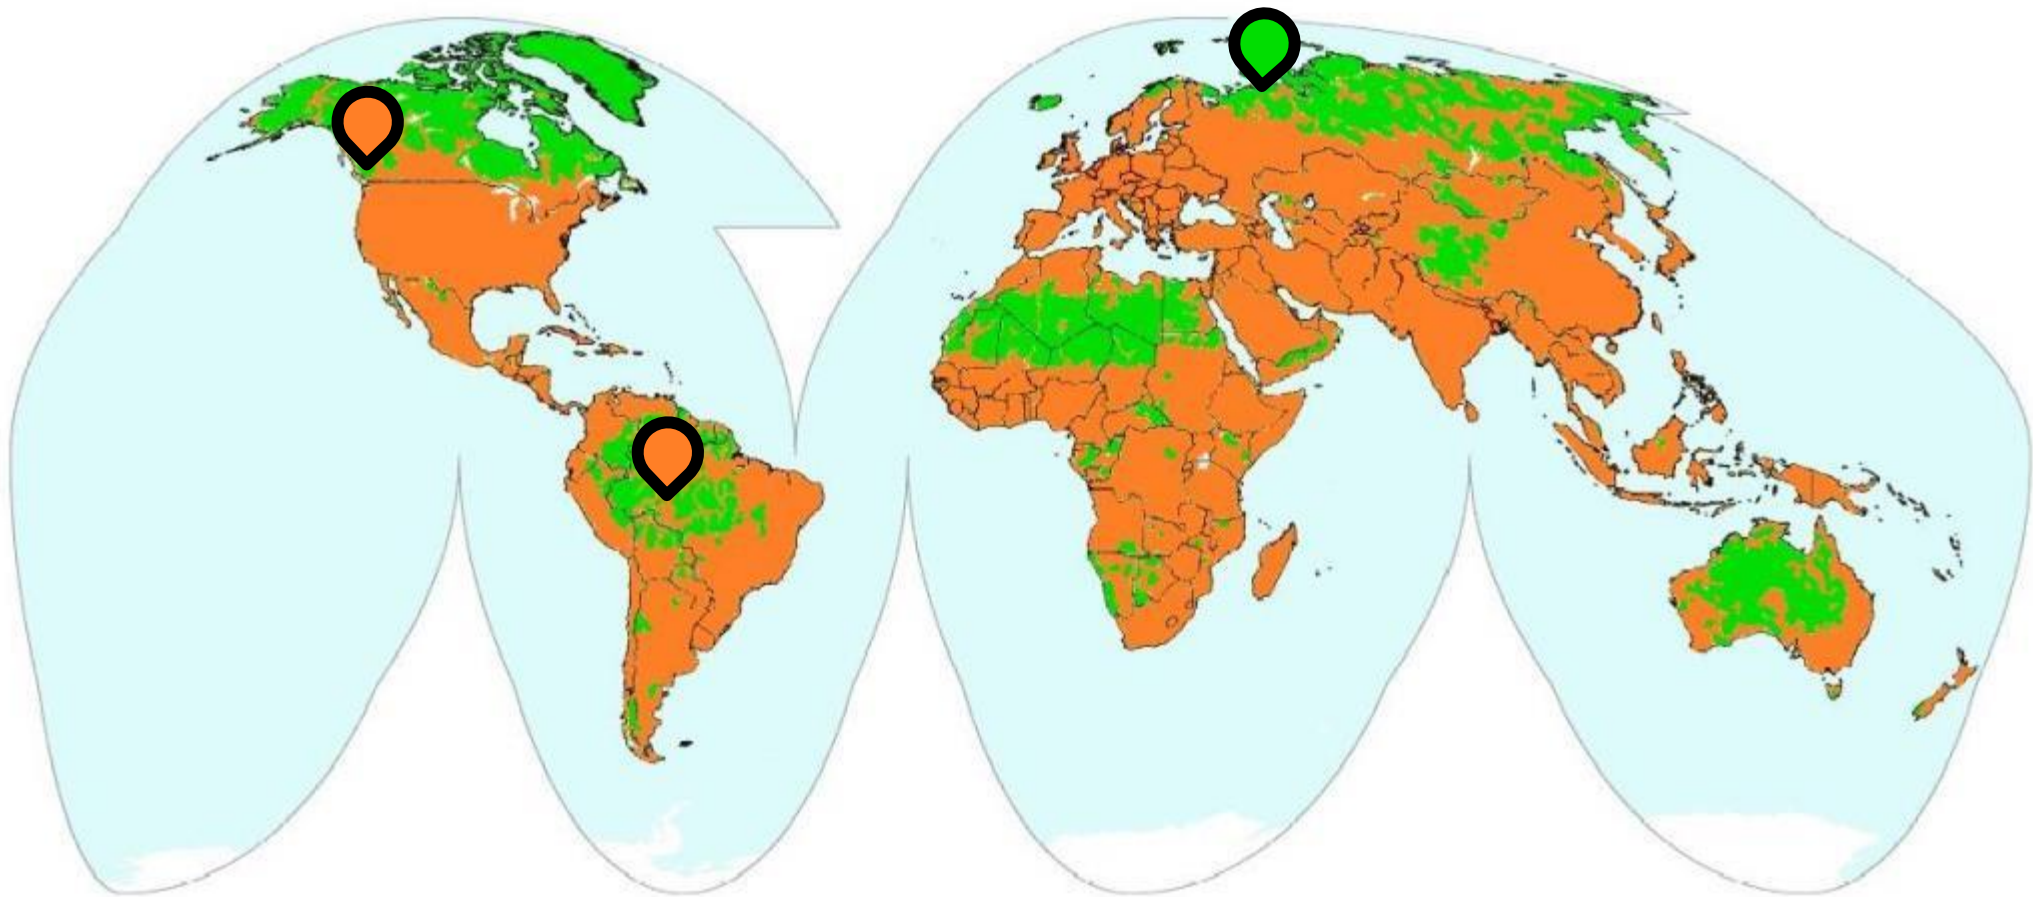

- Changed by humans
- Not changed by humans

Komi Virgin Forests - Russia

- Few people
- Natural area

Human influence on land surface

Changed by humans

Not changed by humans

Buritis - Brazil

Pictures taken by satellite
green = forest
brown = houses, agriculture

- **Big change in short time**

It will be like..

Year 2000

Year 2012

Buritis - Brazil

- Effective use of resources
- Save resources in daily life

➤ **Use less resources**

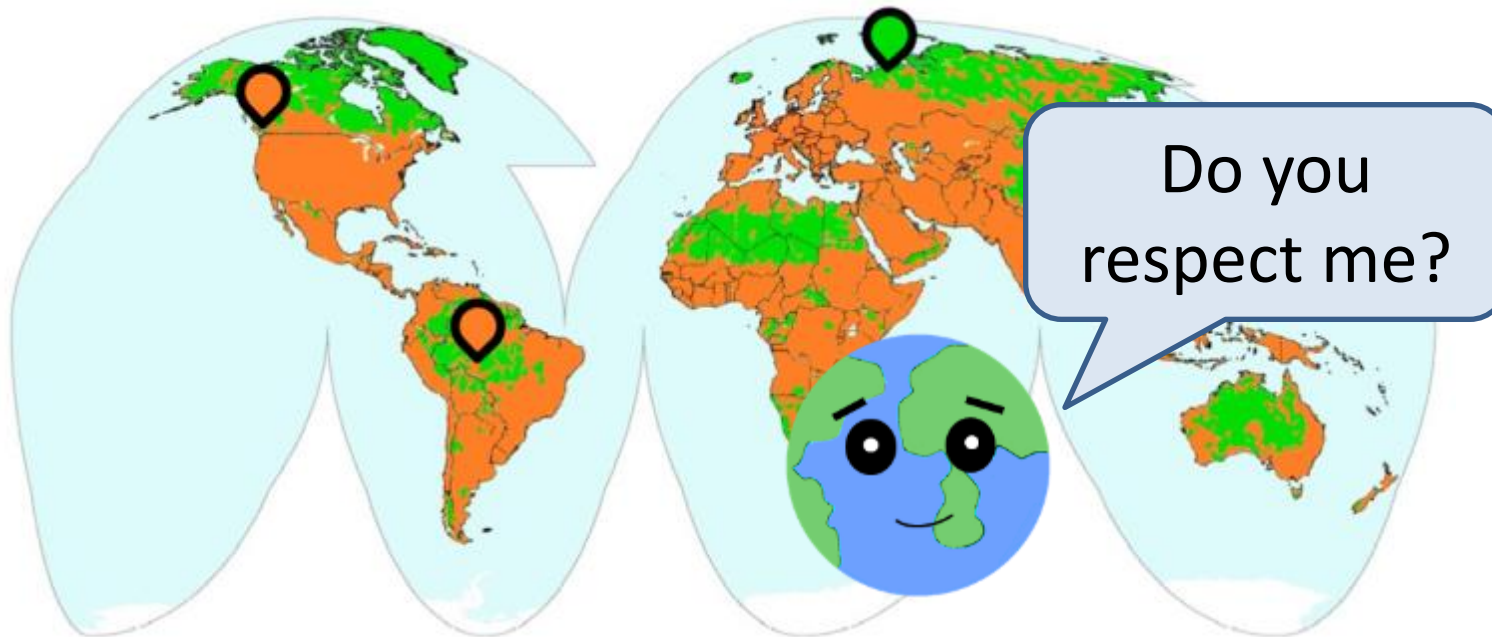

- Intact nature

➤ **Protect**

- Quick destruction
- Negative effects on animals, plants and humans

➤ **Restore**

Use less resources

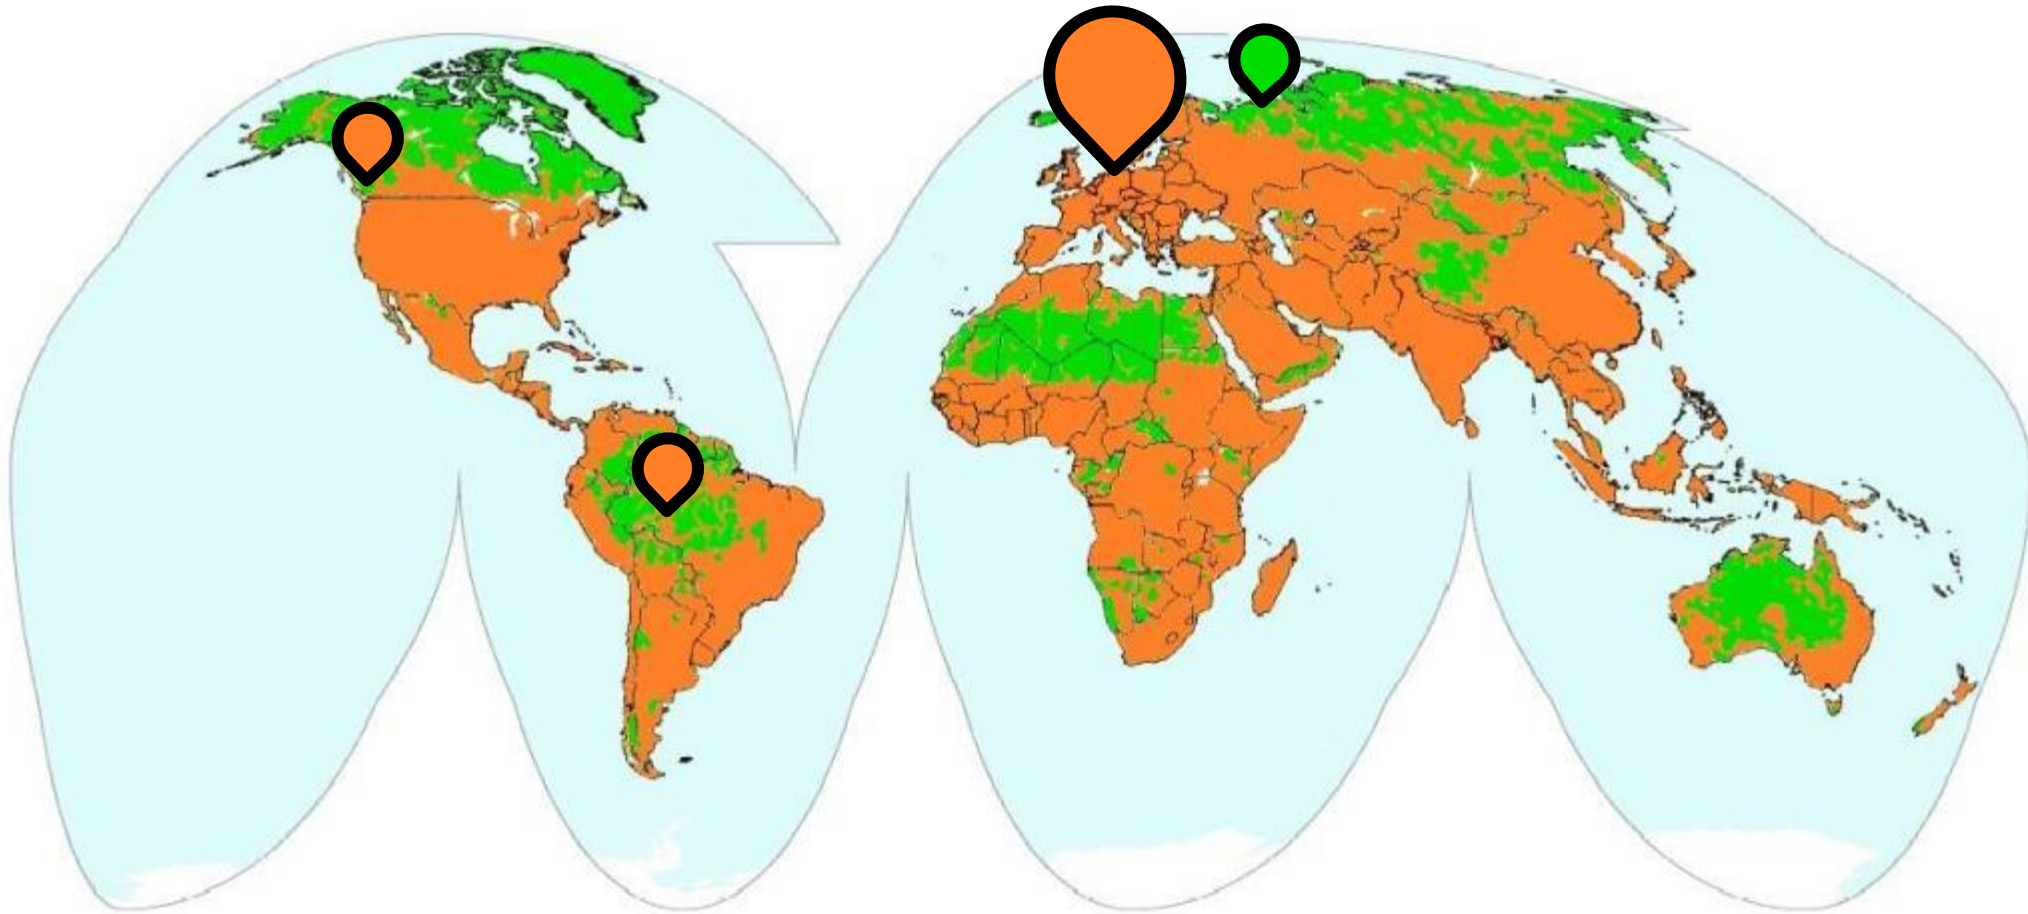

Restore

Protect
